## RESEARCH

*The School of Economics has been actively engaged in quality research on socio-economic themes through various funded projects. The ongoing research projects in the department are;*

*(i) Environment development & poverty, major research project under UGC-SAP sponsorship.*

*(ii) Income & Employment patterns in the unorganized sector: A case study with reference to Dhar district of MP, funded by the ICSSR*

*(iii) Impact of institutional term loan finance on economic development of tribals: A study of Jhabua district, funded by the ICSSR*

*(iv) Promotion of agricultural production and productivity in tribal areas of Indore Division: A comparative study of role of commercial banks & regional rural banks; sponsored by the UGC*

## FACILITIES

*The department is endowed with good infrastructure, a well stocked library with more than 8000 books and a well equipped computer lab. The department subscribes to a host of journals, weekly magazines and newspapers. With changing requirements and expanding academic activities, the School of Economics is all set to move into its new state-of-the-art building at the Takshashila campus.*

# ACTIVITIES

*The School of Economics had a round the year activity calendar with seminars, guest lectures, workshops, annual fest, sports-meet and other cultural activities. The department routinely conducts national seminars, workshops and training programs in collaborations with several private and public organizations. The annual fest and inter-college competition 'Colors' and sports meet 'Spandan' in addition to other competitions are integral part of the institute's cultural and educational activities.*

## **Anti – Ragging Cell**

**The department has an Anti – Ragging Cell and a Students' Council which looks into complaints of ragging on campus.**

# PLACEMENT

*The department has a dedicated placement cell which looks into the activities of campus recruitment and inviting reputed organizations for placements.*

*New Building; Inside view*

## ASSOCIATIONS

*The economics department has several corporate and public linkages. The department regularly hosts sponsored programs with Forward Markets Commission (FMC), Ministry of Consumer Affairs and the University Grants Commission. Our corporate linkages are with the Confederation of Indian Industries (CII) which engages students in the Young Indian (Yi – Net) activities and other participatory programs across India. The School of Economics also has a unit of the National Service Scheme (NSS) which provides a platform to students to engage in social awareness programs.*

## INITIATIVES

*The School of Economics has taken the initiative of introducing a two – semester 'diploma' course in Commodity Trading and Futures Market, in collaboration with Forward Markets Commission (FMC), Govt. of India. The diploma course would be available to students while pursuing their MA, M.Phil courses.*

*New Building; Inside view*
